SLIP ON - GP2R-RHT

for
HONDA CB500F-R-X

PRODUCT

Termignoni presents the new SLIP-ON line universal that includes five silencers that can be adapted to a large number of models thanks to the "KIT" dedicated by us.

The kits have been created to allow you to install your favorite silencer cause they share the same inlet and measures.

The five silencers are different design and materials that give to customers the possibility to choose the best solution for their bike.
