

TERMIGNONI H14908030IXX

for HONDA AFRICA TWIN
2018 version

THE NEW MODEL

Termignoni introduces the
LINK PIPE with heat shield

suitable with H137080TV
for **HONDA CRF 1000L 2018 version**

TECHNICAL SPECIFICATIONS

Material

Termignoni developed the **link pipe**, realized in Stainless Steel, to give at the owner of H137 silencer the exhaust mounting also on the **2018 version of Honda Africa Twin**.

We remind you that the H137 silencer if fits on Honda CRF 1000 L AFRICA TWIN 2018 version **became no homologated**.

To have an homologated exhaust should purchase the silencer code **H14908040ITX**.

In the box will be available also the heat shield in carbon fibre to match with the original heat shield.
